

Daniel Snyder, PsyD, LP

Telehealth Only

Dr. Snyder is a Licensed Psychologist (LP) with over 25 years in the practice of psychology and over 35 years' experience in the mental health field. He received his master's degree from Wheaton Graduate School and his Doctorate of Psychology (PsyD) from the Minnesota School of Professional Psychology. He has experience in community and church-based youth programs, has served on the Board of Administration for an urban church in south Minneapolis, and has been on the Board and a speaker for Sanctus Marriage Enrichment. Providing individual counseling for adults, adolescents, and children, his competencies include couples and marriage therapy, psychological testing/mental health assessment and diagnosis, including ADHD. Special interests include counseling for the Faith communities, yet Dr. Dan works well with people from all walks of life. He is known for his warmth, humor, and creative approach to the application of therapeutic skills.

7945 Stone Creek Dr. Suite 140, Chanhassen, MN 55317
