#### Cancellation Policy

Cancellations must be received before 1/22/24. If you cancel, you may send a substitute, receive a one-year credit memo for another training of equal value or receive a refund less a \$35 processing fee.

Cancellations made on the day of training or failure to participate without notice of cancellation will result in a charge of the full course fee. No refunds, credits or transfers for partial participation will be given.

**EDENS GROUP** reserves the right to cancel a training for which a full value credit or refund will be given.

**EDENS GROUP** reserves the right to change training platforms, modes and instructors as needs dictate and will notify participants of any such substitution. If training is cancelled it will be re-scheduled and registrants will be notified of the new date.

Mail completed registration & full payment to:  
**EDENS GROUP TRAINING CENTER**  
1019 Jessamine Ave E Suite 200  
St Paul MN 55106  
Or fax your registration to 651-776-1700

Your Training Needs Are Unique,  
Your Training Resource Should Be As Well.  
Motivating and engaging training that is  
custom designed to meet your specific needs  
and licensure requirements.

Contact EDENS GROUP for more information.

## Substance Use Disorder: Screening, Assessment & Recommendations

12-CE Hours January 23-24, 2024 \$300.00  
9am to 4pm On-Line Training

Best Practices regarding Substance Use Disorder (SUD) services includes assessment, treatment planning and interventions to address client needs.

SUD assessments assist in tailoring individual treatment and supportive services, can contribute to clinical diagnoses and the recommendations for intensity and setting of treatment needed.

An SUD assessment may also identify co-occurring mental disorders and areas of life functioning affected, such as family, employment, housing, or criminal history, possibly requiring a specific service or outside referral. Incorporation of ASAM and DSM-5-TR criteria can enhance evidence-based assessment and placement criteria, pairing risk with the appropriate level of care.

#### **As a result of this two-day training participants will be able to:**

- Describe elements of and differentiate between screening and assessment.
- Identify recommended screening and assessment techniques and tools.
- Implement evidence-based best practices through the interface of the DSM-V-TR SUD diagnostic criteria and the Dimensions outlined by the American Society of Additive Medicine (ASAM).

Pre-registration and pre-payment is required. Registration closes 1/22/24  
Zoom link and training materials will be e-mailed on that date. Participants needing materials in alternate formats should contact EDENS GROUP no later than 10 business days before the training.
