

The Balancing Act: Integrating Work and Life

6-CE Hours March 7, 2024 \$285.00
9am to 4pm On-Line Training

Today, we seek more from our jobs than just pay. We want meaningful work, a professional title, income and prestige. Have you recently asked yourself any of these questions? “Is my work really making a difference?” “Are serenity and creativity both possible at work?” “How can I balance work demands with personal needs?”

Some people leave their jobs to explore a new path. Others remain, trying again to get organized, renew commitment and increase efficiency. This training will address the real questions: “Who am I and what is important in my personal and work life?” “How can I balance my personal and work life?”

As a result of this training, participants will be able to:

- Define what we value in our work and personal lives.
- Identify obstacles to balancing our work and personal lives.
- Utilize strategies to balance our work and personal lives.

Pre-registration and pre-payment is required. Registration closes 3/6/24
Zoom link and training materials will be e-mailed on that date. Participants needing materials in alternate formats should contact EDENS GROUP no later than 10 business days before the training.
